CREMATION SELECTIONS

# WHY CHOOSE GEORGIA CREMATION?

*We* have been listening when you have said, **“I don’t feel right about a fancy funeral”** or **“I just want something simple.”** Therefore, our family established Georgia Cremation.

While most traditional funeral homes treat cremation as a side line, simple cremation is what we specialize in. We don’t emphasize the sale of expensive caskets or the use of our staff or facilities for services.

In doing so, we have greatly reduced our overhead costs. **As a result, our simple cremation charge is typically 40% less than most funeral homes.** We provide our service for one low price and carry out your cremation wishes Simply, Worry-Free, and Affordably.

We believe families want . . .

***Simplicity*** - Our pledge to you is to offer you simple, easy to understand cremation options.

***“Worry-Free”*** - Our “Worry Free” cremations ensure our families have the highest degree of confidence in our cremation method through our 10-step security process.

***Affordable*** - Our simplified, cremation-only approach allows us to offer families a more affordable option.

***Consumer Focused*** – You decide how, when and where to celebrate the life of your loved one.

# SIMPLE CREMATION SERVICES

## EASY. ECONOMICAL. ECO-FRIENDLY.

Cremation is more popular than ever. It is the perfect choice for those seeking a simple, tasteful service at an affordable price. With this option, you may choose to bury your loved one's ashes in a cemetery, scatter them in a garden or sea or keep them safely at home in an urn or another container.

We offer cremation packages tailored to fit your unique needs and budget.

So that the deceased remains in an essentially refrigerated state, we respectfully request that the identification be for no more than 30 minutes from the time we agree to begin. In the interest of full disclosure while minimizing movement of the deceased, the identification occurs in the container that will shelter the deceased prior to cremation and will be later consumed in the cremation process. The fee for this scheduled Goodbye is included in the Simple Cremation with Final Goodbye.*

# CREMATION FOR CATHOLICS

## LITURGICAL SERVICES.

*We* offer Catholic cremation services to meet every need and budget. The Catholic Church feels that cremains are to be treated with the same respect as the body before cremation and should have a reverent disposition, including a grave burial or entombment in a mausoleum or columbarium. The Catholic Church also prefers that the loved one's body or cremains are present for the funeral rite. We are able to ensure your wishes and those of the Church are in synch.

# WE BELIEVE

## CLOSURE

- We support families saying goodbye at the bedside instead of embalming and funeral home viewing.

## MEMORIAL SERVICES

- We will gladly help arrange a memorial service in a church instead of funerals in funeral homes.

## VISITATION

- We know many patients have suffered weight loss and do not always want family and friends seeing them. Georgia Cremation supports this decision.

## CASKETS & BURIAL VAULTS

- Georgia Cremation does not have a “product orientation.” We do not sell caskets or burial vaults. We do maintain a nice selection of urns. For families selecting cremation with a final goodbye, we use a rental casket.

## THE PROCESS

- We visit the family in their home; we feel anxiety levels are greatly decreased when we do the driving.
- We offer the same services as a funeral home.
- We place all obituary and funeral notices. We mail urns to out of town cemeteries; we do veterans paperwork, social security and any other clerical support as needed.
- We arrange all details of a family’s memorial service.
- We enjoy doing any little thing that will make the families happy. Special requests are just another way to say, “We care about you.”
